Dear Parent /Carer,

Re: General Data Protection Regulation (GDPR)

From Friday 25th May 2018, new regulations will be introduced which affect how our school handles people's data. This is called the General Data Protection Regulation (GDPR).

Compliance with the regulations will be an ongoing process and The Robert Napier School have appointed a Data Protection Officer (DPO) to advise and manage compliance with the regulations.

Full details of our Data Protection Officer can be found on the school website under the 'Contact Us' information tab, should you have any questions.

We are presently reviewing data and will be publicising policies and procedures and notices that are compliant with the new regulations following this, and will keep you informed of any developments. For the time being, your child's data will be handled in the same manner in accordance with legal principles.

In the meantime, we thank you for your patience whilst we take the necessary steps, set out in the new legislation and guidance, with regard to handling data.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'A Minchin'.
