Dear Current Year 5 Student

Taster Classes at The Robert Napier School

- Are you a little bit nervous about the thought of starting secondary school?
- Would you like to develop some new skills?
- Do you want a boost in your favourite subject?
- Would you benefit from working in a room with subject specific apparatus and tools, taught by subject experts?

The Robert Napier School is delighted to announce a series of Taster Classes for Year 6 Junior School students, which will be running in Term 1 (starting September 2018). The students who attend these classes will be able to work in well-equipped rooms and laboratories and use specialist equipment to give them a head start in these subject areas, prior to starting secondary school. It will also provide an opportunity for you to meet other people your age from the local area.

The dates of these Taster Classes are shown below, and further information is available on the booking website. **Each session will start at 4.30pm and finish at 5.30pm.** Spaces are limited, so they will be allocated on a 'first come, first served' basis.

History:	Monday 10th September 2018
Technology:	Tuesday 11th September 2018
Science:	Monday 17th September 2018
