## Uniform

We are extremely proud of how smart our students look in their school uniform and will always insist that high standards are maintained. Parents will be contacted where the uniform code has been infringed without reasonable explanation and children may work with their Form Tutor all day or be sent home to change. We appreciate the support from our parents on this matter.

All clothing and personal belongings must be clearly marked with the student's name.

Branded uniform items can be purchased from: (all other items can be purchased elsewhere).
